ESTABLISH GREEN

Farming With Renewable Resources

GENERAL INFORMATION
ESTABLISH GREEN is formulated to aid in overall plant health. ESTABLISH GREEN can be used for foliar and soil application to field, vegetable, row, fruit, tree, vine, ornamental and turf crops. ESTABLISH GREEN is formulated with 100% Norwegian seaweed and liquid humates. ESTABLISH GREEN may be applied alone or with fertilizers or pesticides. ESTABLISH GREEN is compatible with most pesticides and fertilizers. However, a compatibility test is recommended if the desired combination has not been used in the past.

CAUTION: Avoid applications with pesticides or herbicides which require a pH below 6.0. Incompatibility of this product will occur in acidic tank mixes with a pH below 6.0. Do not apply this product with calcium nitrate.

CONDITIONS OF SALE
