

NEW CENTURY BUFFER

GENERAL INFORMATION

As an additive, NEW CENTURY BUFFER is effective where only buffering is a consideration. NEW CENTURY BUFFER lowers the pH of pesticide solutions to a more effective level of acidity for the pesticide. This aids in preventing the decomposition of certain alkaline sensitive pesticides due to hydrolyzation.

NEW CENTURY BUFFER is 10% active as a buffer.

DIRECTIONS FOR USE

NEW CENTURY BUFFER may be used in dilute or concentrate sprays. Use 1 to 2 pints per 100 gallons of spray solution in extremely hard water situations in which the desired pH level of the spray solution is 3 to 4. The use of up to 6 pints of NEW CENTURY BUFFER per 100 gallons of spray solution may be required.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Keep in original container. Store in cool, dry place. Protect from excessive heat. Do not store below 4°C as product will freeze. Keep locked up and away from children. Do not reuse empty container. Triple rinse during mixing and loading and add rinse water to spray tank. Offer decontaminated containers for recycling or reconditioning, or puncture and dispose of in sanitary landfill.

Manufactured by:

P.O. BOX 26109, FRESNO, CA 93729
1-800-355-4457

ACTIVE INGREDIENTS

Phosphoric Acid.....	10.0%
Constituents ineffective as a spray adjuvant.....	90.0%
TOTAL	100.0%

All ingredients are exempt from tolerance levels in CFR 40, 180,1001.

CORROSIVE LIQUIDS, N.O.S. (CONTAINS PHOSPHORIC ACID), UN1760

PERSONAL PROTECTIVE EQUIPMENT

Applicators and other handlers must wear long sleeved shirt and long pants, impermeable or chemical resistant gloves, protective eye wear (goggles or face shield), and shoes plus socks. Follow manufacturer's instructions for cleaning and maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry. User should wash hands before eating, drinking, chewing gum, using tobacco or using toilet. Remove clothing immediately if pesticide gets inside. Wash thoroughly and put on clean clothing. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

CONDITIONS OF SALE

Follow directions carefully. Timing and methods of application, weather and crop conditions, mixtures with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

DANGER

FIRST AID:

IF IN EYES: Immediately flush eyes with plenty of water, lifting the eyelids and rinse for 15-20 minutes. Remove contact lenses, if present, then continue rinsing. Immediately call Poison Control Center or doctor for advise.

IF ON SKIN OR HAIR: Immediately take off contaminated clothing. Rinse skin immediately with plenty of water for 10-15 minutes. Get medical attention if irritation develops or persists. Wash contaminated clothing before reuse. Immediately call Poison Control Center or doctor if you feel unwell.

IF INHALED: Move person to fresh air and keep at rest in a position comfortable for breathing if they feel unwell. If person is not breathing, call 911 or an ambulance, then give artificial respiration, mouth to mouth if possible. Immediately call poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Rinse Mouth. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything to an unconscious person.

PRECAUTIONARY STATEMENTS

DANGER: KEEP OUT OF REACH OF CHILDREN hazardous to humans and animals. Causes severe skin burns. Causes serious eye damage. Harmful if swallowed. May be harmful in contact with skin. May be harmful if inhaled. When mixing or applying agricultural sprays, always wear spray goggles and impervious gloves plus protective clothing as recommended on pesticide labels. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco products. Do not eat drink or smoke while using this product. Do not breathe dust or mist. Wash contaminated clothing before reuse. Information regarding the content and level of metals in this product are available by calling (800) 355-4457.
