

CM

B-17

A DRY BORIC ACID FORMULATION

A Formulation for the Correction of Boron Deficiencies in Crops

GUARANTEED ANALYSIS

Boron (B)17.5%
Derived from boric acid

GENERAL INFORMATION

CM B-17 is designed to be tank mixed for use on foliar applications as well as soil-applied applications. This product has a lower pH level compared to other boron products. CAUTION: This product contains boron in amounts which could be excessive for some crops. Contact your local agricultural authority for information on specific crops. Use of this fertilizing material on any crops other than those recommended may result in serious injury to the crops.

COMPATIBILITY

CM B-17 is compatible with most commonly used pesticides. Always perform a jar test if compatibility with a mixture is uncertain.

DIRECTIONS FOR USE

RATES

CAUTION: Do not apply CM B-17 directly to seed or at a condition where it will have direct contact with seed. Over application of CM B-17 may cause Boron toxicity. Consult a crop advisor before use to maintain adequate levels for your crop.

Foliar applications: Tree and Vines: Apply up to 5 pounds per acre with enough water for thorough coverage.

Row, Field, Pasture Crops: Apply up to 3 pounds per acre with enough water for thorough coverage.

Soil Applications: Apply 2 to 10 pounds per acre. Apply with enough water or liquid carrier to move product to root zone for proper uptake.

Dormant and Post-Harvest Applications: Apply at a rate of 2 to 8 pounds per acre with sufficient water for thorough coverage. Apply post-harvest to pre-bloom.

CONDITIONS OF SALE

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. Weather, crop conditions, timing and methods of applications, mixtures with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage, or handling of this material not in strict accordance with directions given herewith.

KEEP OUT OF REACH OF CHILDREN

WARNING

PRECAUTIONARY STATEMENTS

WARNING Hazardous to humans and animals. Causes eye and skin irritations. When mixing or applying agricultural sprays, always wear spray goggles and impervious gloves plus protective clothing as recommended on pesticide labels.

FIRST AID

If this product gets into the eyes, immediately wash the eyes with large amounts of water for at least 15 minutes, occasionally lifting the upper and lower lids. Obtain immediate medical treatment. If this product gets on the skin, immediately wash the contaminated area. Seek medical attention if skin irritation persists. If this product has been swallowed and the person is conscious, immediately give large volumes of water. Do not induce vomiting. Seek immediate medical attention.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Follow all governmental procedures for the disposal of pesticide spray solutions. Rinse container; empty rinsate into spray tank. Dispose of empty container according to approved local practices. Contact county agricultural commissioner for disposal information.
