

GENERAL INFORMATION

DEJA BLOOM is a proprietary formulation of nitrogen, phosphate and potassium plus sea plant extract of *Ascophyllum Nodosum* and Humic Acid. The phosphate and potassium used in this product aid in the flowering cycle and specifically bloom and fruit development.

**KEEP OUT OF REACH
OF CHILDREN**

WARNING

Hazardous to humans and animals. Causes eye and skin irritations. When mixing or applying agricultural sprays, always wear spray goggles and impervious gloves plus protective clothing as recommended on pesticide labels.

FIRST AID

If this product gets into the eyes, immediately wash the eyes with large amounts of water for at least 15 minutes, occasionally lifting the upper and lower lids. Obtain immediate medical treatment. If this product gets on the skin, immediately wash the contaminated area. Seek medical attention if skin irritation persists. If this product has been swallowed and the person is conscious, immediately give large volumes of water. Do not induce vomiting. Seek immediate medical attention.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Follow proper procedures for the disposal of spray solutions. Rinse and dispose of empty containers according to approved local practices.
